

Constitutional Enforcement Pre-Study Materials -- Part 3

By Anna Von Reitz

I am releasing Part 3 today in hopes of getting a little bit ahead of the curve and buy busy people more time to review. The pdfs will be available on my website and

www.TheAmericanStatesAssembly.net site.

Part 1 covered the basics, Part 2 discussed more basics, and now, in Part 3 we are bringing it all full circle and updating to the current situation report.
