Ok in a nutshell. This is going to the Supreme Court.

Where they will rule that the election is invalid due to fraud or mistakes on a country wide scale. It will go one of two ways, either they will rule that all the unconstitutional mail in ballots will be removed and the states ordered to recount without them or they will simply rule the election is invalid due to mass voter fraud and at that point it will be sent to the congress and senate for a vote.

This is where it gets good. The house/congress votes on who the President will be. It has nothing to do with what party that has power. Every State gets one vote... 30 states are held by Republicans and 19 by Democrats. **They have to vote down party lines, they have no choice due to the 12th Amendment of the Constitution**, and the Senate votes for the Vice President where a similar event will take place. This is The law. This is why the Democrats are so mad at Nancy Pelosi. This will all happen in January. The only way President Trump won't be President is if he concedes the election, and that will never happen. So, stop watching the fake news and don't let your heart be troubled. Live your life knowing this will all work out. President Trump will remain President. I have researched all of this and it is Fact!

Another fun fact, they called Gore the President Elect for 37 days in 2000 until the courts ruled against him and declared Bush the winner. And two people that will be part of that decision are none other than new Supreme Court Justices Brett Kavanaugh and Amy Coney Barrett. Why do you think the Democrats tried so hard to keep them from being confirmed? (Note added by Editor - let's also not forget what Joe Biden did to Justice Thomas 30 year ago during his confirmation hearings.)

71 Million Trump voters. It's time we really fight back! Please share this with every Trump supporter you know! We need to be as impactful as we can. **It's time to MOBILIZE!** It's time we put forth the power we truly hold in this country. This working class truly is the heart of America.
