

The CDC Director at the Beginning of the Roll Out....

By Anna Von Reitz

He was sidelined along with everyone else that dared to speak up against "Tony" Fauci.

Millions have already died.

This was a military sneak attack using asymmetrical forces -- licensed Medical Doctors and Registered Nurses are part of the so-called civilian military forces, defined as Uniformed Officers in Federal Code.

More people have already died than the entire combined number of deaths in all wars ever since and including the Crimean War.

Stop and think about that.

And ask yourselves --- when is justice going to be served?
