

Time to Cheer --- and Pray

By Anna Von Reitz

The endlessly violent and despicable Netanyahu Regime has told UN Peacekeepers to move five kilometers north of their present positions and announced the intention of obliterating everything along and two miles north of the Lebanese border: homes, businesses, and border defense facilities.

The Italians ran for it. The Ghanaians obeyed. But the Irish are standing their ground and doing their job.

In case anyone had any doubts, Netanyahu is in bed with the same corrupt and vicious corporations that have been illegally occupying our country and dreaming up such travesties as "the State of Israel, Inc." and proposing that it become "our" 51st "State".

Not our State --- not our kind of "State" --- merely a state-of-state business organization based in Britain, calling itself by a deliberately deceptive name and trying to assume powers and rights and protections owed to one of our actual States of the Union.

Not on our watch.

We stand with the Irish Peacekeepers protecting the border of Lebanon and the Lebanese people and we pray for them and their safety.

To every Jew on Earth, the vile and self-serving acts of these fake Jews, these "Zionists", are being laid at your feet, because you have failed to expose them

for what they are and failed to take action against them. To paraphrase Edmund Burke, the only thing necessary for evil to triumph (and for you to be blamed for it) is for good men to do nothing.

These Vermin have impersonated you in exactly the same way that the British Territorial U.S. Citizens have impersonated Americans.

If you don't want to be painted with the same brush as Netanyahu, it's past time to defend your own reputations and best interests.

The corruption, violence, and racial and religious bigotry that the Zionist Movement has come to personify has to be addressed. The constant war-mongering, destruction of property, and theft of natural resources that belong to others has to be addressed by the whole world, not just the Irish.

The problem that Benjamin Netanyahu personifies and represents needs to go away, and you cannot rely on any peaceful electoral process to solve it. All the elections have been rigged on a worldwide basis, so Israelis can vote against Netanyahu as often as they like --- and already have --- to no avail. Other pathways must be taken to put an end to this madness.
