

Covid 19 Not Natural -- Neither is 5G

By Anna Von Reitz

In fact, Electromagnetic Radiation pollution is not natural and has a strong polluting effect on the environment, and is subject to the ENMOD Treaties as a result, wherever "non-domestic" populations are involved.

We, Americans, are "non-domestic" with respect to the Federal corporations and entities that are running like wild horses toward this new technological nightmare. We are being harmed and we have every right to bring forward our evidence and demand that these "tests" and other war simulations stop. Please note:

The Japanese professor of physiology or medicine, Professor Dr Tasuku Honjo, caused a sensation today in the media by saying that the corona virus is not natural. if it is natural, it will not have affected the whole world like that. Because, depending on the nature, the temperature is different in different countries. if it were natural, it would only have affected countries with the same temperature as China. instead, it spreads to a country like Switzerland, the same way it spreads to desert areas. whereas if it were natural, it would have spread in cold places, but would have died in hot places. I have done 40 years of research on animals and viruses. It is not natural. It is manufactured and the virus is completely artificial. I have been working for 4 years in the Wuhan laboratory in China. I know all the staff of this laboratory well. I called them all after the Corona accident. but, all of their phones have been dead for 3 months. It is now understood that all of these laboratory technicians are dead.

Based on all of my knowledge and research to date, I can say this with 100% confidence that Corona is not natural. It did not come from bats. China made it. if what I say today turns out to be false now or even after I die, the government can withdraw my Nobel Prize. but China is lying and this truth will one day be revealed to all.

We still don't know if the "China virus" was actually a Chinese virus or one that was imported to China and then escaped there, or from Dr. Fauci and colleagues, or the Pirbright Institute, or that UN-connected lab in North Carolina, or from Fort Detrick, or Bill Gates and one of his numerous vaccine manufacturers, or just plain another CIA set-up ---- but we will know. We will get to the bottom of it and we will hang 'em high.

Meantime, take the presumptions about the "source" of the virus with a grain of salt, and instead focus on the fact that the virus unleashed in Wuhan was manufactured, not natural, and therefore subject to the ENMOD Treaties, too. More engineered pollution of the environment tested on innocent people who are not naturally "domestic" with respect to any of these corporations.
