

Her Majesty The Queen
Buckingham Palace
London SW1A 1AA

June the Sixth of 2018 A.D.

Your Majesty:

It has come to our attention that you have apparently lost our address and are therefore unable to correspond with our Sovereign and Unincorporated Government, The United States of America. We find it necessary in view of current affairs to remind you that our address has not changed in over 200 years and that our mail may still be received by sending to:

The United States of America
General Delivery
316 Market Street
Philadelphia, Pennsylvania
[19106] The United States of America

Or more securely and directly to:

The United States of America
c/o Clinton Belcher
2848 South Sheridan Street
Philadelphia, Pennsylvania
[19148] The United States of America

No doubt this lapse in communication has resulted in the current circumstance in which we have not been informed of the "abeyance" of the Federal United States organization and the substitution of the Territorial United States as a Trustee and Secondary Beneficiary. No doubt, too, this has occasioned the failure to Notify us of the numerous bankruptcies of Territorial and Municipal United States corporations charged with providing our States and People with "essential government services".

Any presumption on the part of Your Majesty or of Your Government or of the Government of Westminster that we "no longer exist" or that we have been "de-populated" or that we are inhabited by "disregarded entities" or that we no longer maintain our Post Office and our addresses in Philadelphia would indeed be a false presumption owing immediate correction. As we have informed the United Nations Secretary-General and the Vatican Chancery Court, we are alive and well and our Hereditary
