

## Definitive Reply to: H.E. HRH Royal Prime Minister Earnest Rauthschild

By Anna Von Reitz

Dear Royal Prime Minister:

We are all Royals. We are all Unincorporated Sovereigns. We are all children of the Living God.

You have issued your "orders" and we are now issuing ours--- cease and desist trying to delude or defraud anyone on this planet.

The entire idea that you own the "title" to anything, much less anyone, is preposterous and tied up in conventions of fictional trust law which do not apply to any actual living being or thing.

You did not create us and therefore have no ownership interest that will bear a two-minute rebuttal. You did not create the Earth, either, and have no special dominion over it.

The words that you and your brethren all need to thoroughly understand are: we do not consent, and furthermore, we object.

The actual Donor of the "Trust Assets", the Living God, is here, present, and aware of your lies and the lies of all those that are attempting to gain power and wealth for themselves at the expense of all the other royal progeny.

The BRICS nations are no less "royal" than any others, and we note that you are infringing on our copyright to our unincorporated business name, United States of America, to name your damnable commercial corporation after us and thereby pretend that it has something to do with us and our assets.

It doesn't.

We are here to tell you that we are not deceived and not amused and not putting up with constructive fraud and flannel-mouthing any more. We have published our "non-assumpsit" of all and any debts of incorporated entities and we don't care if you pretend to hold a charter from the Grand Star Council of the Sun.

All we are going to do is give you a free one-way ticket back whence you've come, along with the horse that brought you, and all those other fictional "entities" that have gobbled up around you like so many spiders in a vase.

So far as we are concerned, there is no such entity as THE UNITED STATES OF NORTH AMERICA and no such thing as THE REPUBLIC OF NORTH AMERICA and nothing we recognize as THE FAMILY OF NATIONS, either.

We also note that you have used a variation of the name "Rothschild" in an attempt to associate yourself with the banking family and so far as our information goes, you are an American Indian trying to ride on more coat-tails at once than a very fat man on a bus in India.

If there are any "Galactic Keepers of the Earth" they are only the Angels that guard me and the Holy Spirit that guides me and the Living God that gives me breath, and I am sick of all this horse hoey. I well and truly am fed up.

Our Father gave us dominion over the Earth, and we've made a glorious, big, fat, ignorant mess of it. People like you and their CORPORATIONS have damn near been the death of life on this planet. Liars. Thieves. Charlatans. Gamblers, Sinners. Parasites. Aggrandizers. And in the end, Fools.

The rest of us, those that really do care and that are peaceful and that don't want anything to do with any filthy CORPORATIONS and "power matrices" and imaginary Galactic Councils (which have failed to do anything good for this planet in 60 millennia)--- those of us who don't believe in the illusions of money and who invite you to eat your gold and your paper, too---- are the actual, factual Guardians of this planet and the people on it. Not you.

So now that we've got that straightened out and in full view of the fact that I have been doing your supposed job for the last forty years--- unpaid--- now comes the reckoning of the Living God, the one with two eyes, not one, who will pay you and all the other trust-breakers and cheats back according to your true intentions and your works and your words.

I tell you: The only sacrifice has been paid and there will be no more.

I am looking forward to the morning when I wake up and all of you are gone, leaving nothing behind but a bad smell and a dust devil and a peculiar color of light as your memorial.

Anna Maria Wilhelmina Hanna Sophia Riezinger-von Reitzenstein von Lettow-Vorbeck ---- and feel free to stuff that in your pipe and smoke it.
