

Public Notice: Anthony Fauci is Not Qualified to Function as Head of State

By Anna Von Reitz

This may come as some surprise to our European compatriots, but Anthony Fauci is not qualified to function as Head of State for this country or any presumed to exist Federal Subcontractor, Trust, or Administrative capacity.

As we pointed out a couple days ago, upon failure to perform for any reason, including bankruptcy, all delegated powers return to the Delegating Party and in this case, the Delegating Party is our unincorporated Federation of States doing business as The United States of America.

As I also pointed out, this happens automatically by Operation of Law.

No Successor to Contract can be presumed in the absence of our acceptance, which we have denied and continue to deny in public and in private. We are fed up with the service being provided by these bilkers and nobody should have any questions why.

Finally, no trust formed under false presumptions of death or abandonment can be maintained in the face of clear and present evidence that the "long lost" American Government and People are still here and still self-governing, as they have been, since this entire fraud scheme began.

These principles of law are so universal and well-known as to command immediate and unarguable agreement.

Any and all "United States Trust" properties, claims, and interests including statutory trusts containing the assets of the Federal Republic, must be immediately dissolved in favor of the American Government, our States, and our People.

This means that the Corporation Trust Company and the Corporation Trust Company, Incorporated, must similarly be collapsed and returned to the actual owners, or the Perpetrators must be recognized as pirates guilty of capital crimes.

Dr. Fauci, which translates in Sicilian as Dr. Scythe, is obviously the one in charge of the hostile incorporation, take-over. and unlawful conversion of the Corporation Trust Company and the merger of all those corporations as Municipal corporations being sold off to Chinese interests (Bank of Shanghai/HSBC) to expedite the parasite's disappearance behind the Chinese Curtain.

Just like the disappearance of the Templars. Just like the disappearance of the Dutch East India Company.

This time we have a slow motion video camera and are watching the sleight of hand.

Anyway, Dr. Fauci and his colleagues have passed themselves off as "private citizens" --- but this is just another oxymoron. No such thing as a "private citizen" exists, and neither do "national associations" of such citizens. As a corporate Officer of a defunct government and an equally defunct corporation, Dr. Fauci has no standing at all. He is stateless and incompetent to stand as a Head of State in any venue associated with us or our country.

So, it's time for this sideshow and all the False Presumptions underpinning it to collapse, and for the perpetrators to be brought to justice. All laws, all property claims, and all loans arranged by these scoundrels are fraudulent, null, and void. The Public and the High Courts are hereby served Public Notice of the Facts and the Law; Notice to Agents is Notice to Principals, Notice to Principals is Notice to Agents
