

For All The Jural Assemblies Handbook Volume One Published

From Anna Von Reitz

For all of you looking for a handy way to keep organized and review for yourself or to introduce people new to the topic(s)--- the first volume of collected articles addressed to the Jural Assemblies, 1-35, has just been published as a paperback on Amazon for \$12.95.

This gives everyone a solid grounding going forward and can be used by the Jural Assemblies in every State as a general guidebook and history primer:
