

## For Your Information, Facebook

By Anna Von Reitz

For your information, Facebook--- you are not the owner of this account or anything else. You are bankrupt and have been running as a franchise of a bankrupt parent corporation your entire "life".

You have been part of an Empire of Lies.

And now, it's all coming to an end.

The criminal corporations responsible for breaking the Public Law of this country are being involuntarily liquidated, along with their complicit franchises. This means you.

In case anyone needs to know, every State has statutes that allow us, the living people, to force the liquidation of organizations that break the Public Law and disrespect the Public Interest in the Public Infrastructure you use.

As for the Public Laws that you have violated, start with the Constitutional Guarantees you have flaunted by attempting to condemn and censor free speech in this country?

You may have been bought out by Communist China and they may have been mistaken for your Priority Creditor, but the truth will out, and then?

Then you will realize to your dismay that I am the Owner here.

That all the other living people who have used your "service" over the years, are the Owners.
