A Message of Hope for Pope Francis

By Anna Von Reitz

For reasons I do not know, Our Father prompted me to write to you this morning.

The message I have for you is a message of hope in very dark times.

I am to tell you not to worry so much and to stop trying to take on so many burdens and to find so many answers all by yourself.

Please observe that it is not given to Man to know all the answers. There are many questions that we can't answer, in fact, the only question that we can ever reliably answer is -- "What?"

What do we truly want in our heart of hearts? Just tell Him, and the rest is in His hands, not ours.

For the rest we must be content with not knowing the details of how or when or why or who or where. That's all our Father's province and He has it well in hand.

So you can stop worrying about pollution and you can stop worrying about what appears to be overpopulation and wars and rumors of wars and all the endless politics.

This is where things stand:

(1) Satan has been bound and the thousand years of peace declared. The Church has long known that this would be done by a woman, so no surprises there----except for me. I was surprised that it would be me to do it. But He has his ways and reasons and He delights in using simple means to confound the wise.

(2) Our American Asset Recovery Team has gained control of the banks worldwide and is hot on the track of all the purloined wealth owed to us and to the people of the entire world. They are sorting it out in very competent fashion.

(3) Our American World Debt Retirement Committee has hit upon a means of retiring all debt worldwide without harming anyone, via a gradual process that will take about ten (10) years. This news should gladden your heart and put an end to the war-mongering and fear.
(4) Cardinal Mamberti and Mr. Trump will both be advised. Please ask Cardinal Mamberti to contact me directly at (907) 250-5087 so that we can coordinate the implementation of the Debt Retirement Plan to begin as early as June 1. This has all been thoroughly vetted and nobody anywhere has any objection to it, so please have the Vatican Bank ready to fully cooperate.

(5) As you know, the Rothschilds are unable to meet their obligations and the IMF and World Bank are in deep trouble as a result of the Great Fraud and all the odious debt, but there is no need for anyone to panic. This is a simple matter of correcting bookkeeping and public records and balancing equations—which we can do.

(6) The Satanists among us have made a comeback and need to be rooted out and suppressed. Again. They have sheltered themselves in the heart of the Church, and reportedly, this has been the worst secret of some members of your own Order, the Jesuits, for the past three centuries. I am not sure why just "three centuries" when Satanism pre-dates Noah, nor why the Jesuits have been singled out, but apparently even you have been accused of participating in these heinous and ancient rites of child sacrifice.

(7) Reports of disruption of "Ninth Circle" rituals on April 30 and the arrest of participants and the rescuing of captured children and the finding of mutilated child corpses on the premises of these facilities and reports of similar atrocities taking place in St. John's Episcopal Church in Washington, DC, proves that this plague and corruption is rearing its ugly head and showing its trademarks of idolatry, enslavement, and infanticide "just as in the Days of Noah".

(8) You may be sure that forensic teams will scour the premises of all reported ritual sites related to this Cult and you may be sure that anyone practicing this religion will be hunted down as a criminal and prosecuted to the fullest extent of the Public Law throughout North America.

(9) It is imperative for everyone to realize that the Church is being threatened from within and without and for Church leadership to explicitly condemn these false practices and beliefs. It is also necessary to follow through with determined action to purge Satanists and to educate people to recognize them for what they are—whether they pretend to be Catholics, Jews, Muslims, Hindus, Blue-Butted Baboons, Freemasons, or members of the Bohemian Grove.

We realize that Satan has had his function as a Goad and an Accuser and a Teacher of rare ability. We realize that he has been allowed to do what he has done, but those lessons are learned and he is bound according to Divine Will, by whatever name anyone can call him for the next thousand years.

Time to get on the Peace Train and clean this mess up.

Most sincerely,

Anna Maria
