

# Commercial Mercenary Attack Against Humanity -- International Notice to All International Courts:

By Anna Von Reitz

In 2013, in a US Supreme Court Case, *Pathology v. Myriad Genetics, Inc.*, 569 U.S. 576, the court ruled that changing the human genome via an mRNA injection creates a new genome that can be patented and owned by the patent holder. Everyone who received the purported vaccine is now "patented" and owned as property by the Vermin. Everyone who has been jabbed is considered "trans-human".

Trans-humans are not considered natural, so have no Natural and Unalienable Rights.

Trans-humans are not considered humans, so they have no human rights. Trans-humans can have no equal civil rights, because any standard of "equal" rights has been destroyed.

H.J. Resolution 48 of the 116th Congress, that is, the U.S. Territorial Congress, (2019-2020), proposes a Constitutional Amendment that those rights protected by the constitutional agreements apply to "natural persons only".

These results--- defrauding, dehumanizing, and enslaving living people to serve corporate interests --- have been pursued via deliberate deceit and non-disclosure as a fraud scheme aiming to evade constitutional obligations and international laws and conventions, so as to seize upon and to enslave human populations as "trans-human" serfs.

Those responsible for these mercenary attacks are international criminals owed no quarter by any court or system of law.

Fraud vitiates all their claims under the Roman Civil Law.

Their acts of inland piracy and unlawful conversion vitiate all their claims under Admiralty Law.

And Maxim of Law--- "Possession by pirates does not change ownership." vitiates their claims under Maritime Law.

We would add that attempts to obscure the nature and provenance of stolen goods, land assets in this case, in no way confers any value-added interest to the perpetrators of these crimes, who are simply criminals seeking to mischaracterize, redefine, and destroy their Priority Creditors.

We wish for a complete, immediate, and powerful excoriation of these efforts to establish a system of Corporate Feudalism and to undermine the health, nature, and freewill of Mankind.

We wish for the immediate issuance of international arrest warrants against the members of the British Territorial United States Congress, the U.S. Supreme Court, Larry Fink, CEO of BlackRock, Inc. and its derivatives, William H. Gates, III, former CEO of Microsoft, Inc., Dr. Anthony Fauci, employee of the National Institutes of Health, Inc., the Officers and Board Members of the Centers for Disease Control, Inc., Pfizer, Inc., Astrogenaca, Inc., Moderna, Inc., Johnson and Johnson, Inc., and others responsible for the promotion and implementation of these crimes against humanity.

These outrageous claims and damages done to innocent people in the name of mercenary and political profit must be countered with the liquidation of these corporations and the punishment of the Officers and Board Members.

The actual American Government acting in international jurisdiction, our unincorporated Federation of States doing business as The United States of America since 1776, stands ready to assist and approve of the apprehension and prosecution of these criminals.

Anna Maria Riezinger, Fiduciary  
The United States of America
