More Proof That I Am Right

Western Europeans have just noticed that they and their governments are being "occupied" --- still --- illegally and immorally, since 1946.

And, guess what?

Joe Biden has responded by deploying U.S. Troops in Europe to continue and enforce this illegal and immoral occupation of foreign territory.

It has been 67 years of this oppression and nonsense.

We've been paying all their defense expenses. And they've been enslaved.

For almost seven decades.
