

National Deputization Order

By Anna Von Reitz

All Americans born in one of the States of the Union or lawfully immigrated and naturalized as State Nationals of one of the States of the Union, and having otherwise adopted their birthright political status are hereby deputized as peacekeepers and collectively as peacekeeping forces.

In the current circumstance facing Texas wherein 12,000 State of Texas National Guardsmen are holding the Southern Border against an estimated 700,000 illegal immigrants, all willing deputies are requested and required to assist and support the State of Texas National Guard and INS and Border Patrol.

Article IV, Section 4 of The Constitution of the United States of America requires the government to protect and defend our borders. The Federal Subcontractor responsible for performing this duty is currently hindered, but that does not alter our right and our responsibility to uphold our Public Law.

Thus far this illegal migration has been peaceful and proceeding at 10,000 illegally and unlawfully "accepted" migrants per day. Their continuance in this country will be challenged and they will be deported back to their country of origin. Deportation will begin on or about the first of July.

The actions of the "White House Office, Inc." will be overturned and the cost of all the emergency aid and relief issued to these illegal immigrants as well as the cost of processing their entrance and exit and all transportation costs will be charged back to the responsible Municipal Corporation(s) and their Principals.
