

International Public Notice: Pandemic Was a NATO Operation

By Anna Von Reitz

For many months now we have followed the money and the patents and the "flow" of information and processes leading up to the beginning of the Covid-19 debacle --- knowing that there was a missing piece.

We knew, and any astute observer should know, that the World Health Organization and the WHO, Inc. shadow affiliate were not in fact the beginning nor the end of the problem.

The actual problem is NATO, but that was a very closely guarded secret until this past week, when the Dutch Government officially exposed it.

It was in fact a military operation and illegal Act of War by NATO against civilian populations worldwide.

Read that again.

Our health system has been weaponized since the Civil War.

A distinction was made between private physicians and "medical doctors". Medical doctors were licensed to act as "uniformed officers" as shown in Federal Code Titles 8, 11, and 31. As such our doctors became conscripts under the control of the foreign British Territorial Corporation, and subject to its demands.

A so-called "civilian military force" was born.

This system was continued and expanded under the FDR Administration and the institutionalization of the American Medical Association (AMA). Our doctors, registered nurses, dentists, and other health professionals were thus subjected to the demands of foreign commercial corporations, and our health care was weaponized by and used to profit these corporations.

In plain terms, they've used our doctors, nurses, and dentists as soldiers for a long time, but we have been unaware of this and have continued to innocently view them as trusted and trustworthy health care professionals --- when, as a group, they are not free to uphold their own professional standards and personal conscience.

As a group, the medical and health care professionals are civilians who have been press-ganged and forced into "civilian military service" by a process of licensure.

If they don't obey, they lose their license, so they are forced to do what the evil corporations responsible for all this tell them to do.

They are subject to an unseen conflict of interest, and because it is unseen, they have been forced to operate as clandestine mercenary soldiers without the public knowing any of this and without suspecting them of any conflict of interest.

This is how NATO engineered, caused, commanded, implemented, and executed a clandestined Act of War against civilian populations worldwide.

In each country, the playbook was the same. Licensed medical professionals were given a choice -- either inject and sell this shit, and get a nice kickback, or lose your license to practice medicine.

The hospitals and hospital administrators were placed under a similar carrot v stick scenario by the same evil and out of control quasi-military "treaty" organization, operating in multiple countries at the same time. Remember that hospitals are "licensed", too.

As for the vaccines themselves, this is not the first time that they have been adulterated and deployed and resulted in devastating damage to civilian populations.

Adulterated polio vaccine, polluted with SV40 monkey DNA which causes soft-tissue cancers, was the first major "break out" event. For a full and very

knowledgeable recount of how over a hundred million people were injected with a "vaccine" known to cause cancer, and how that "mistake" has been repeated and expanded upon with Covid 19 --- listen up:

The polio vaccine given to children in this country up until circa 1956 was adulterated with SV40 Monkey DNA which causes soft tissue cancers. This was covered up by the politicians and doctors and researchers responsible, and this same "mistake" was repeated in the Covid 19 vaccine. To which we say:

Mistakes Were Not Made

The SV40 polio vaccine scandal was buried to prevent liability for the vaccine industry. They knew what they had done. They knew that a huge spike in cancer cases was coming. They knew why. And they did nothing but gin up a multi-billion cancer research and cancer treatment industry to bilk the victims and their insurance companies. That was their response.

What do you think their response will be to the new and even larger spike in cancers caused by continued SV40 adulteration of the mRNA vaccines?

They are trying to cover it up, of course. They are denying the FACT that Kevin McKiernan found massive pollution of the mRNA vaccines with the same SV40 Monkey DNA; they have been trying to twist and spin.... but then, Dr. Phillip J. Buckhaults confirmed it, and it was independently confirmed again:

They are endangering us all and killing us slowly for profit.

The same foreign commercial corporations that commandeered our healthcare professionals for use and abuse as "civilian military" officers, created NATO, and now, have used NATO to pull off this gigantic genocide and deployment of cancer and other disease causing agents throughout the general population.

These corporations and organizations have to be dismembered and defunded without further adieu; and NATO has strayed so far from its stated mission that we must regard the "North Atlantic Treaty" as a whole voided and defaulted.

This is not a defense issue. This is an offense, an Act of War, against innocent civilian populations, resulting in mass and continuing genocide.

Everyone who promoted and enforced the Covid 19 injections and protocols is a criminal by fiat. The government corporations that are members of NATO are criminal by definition.

It's up to the rest of us to determine what we are going to do about it.

Let's begin by sharing this information with everyone we know in every corner of the Earth. Let's follow up with letters to Trump, RFK, Jr., the State of State Surgeon Generals, and everyone else.

Then we repeal the Bayh-Dole Act that allows researchers including those whose research is paid for by the "government" corporations to profit from patenting their discoveries -- one of the principal ways that medicine in this country has been turned into a for-profit industry.

We are pleased that the WHO Medical Tyranny Treaty has run aground and failed. It needs to fail its way into history as yet another Bad Idea soundly defeated by the common sense of millions of people who, among other things, don't want unelected bureaucrats using the coercive powers of government to dictate their health choices.

Nor do we want self-interested healthcare corporations secretly promoting disease in order to profit themselves, which has clearly been going on here ever since the Polio Vaccines were found to be polluted.

There is a reason that our Federal Constitutions -- all three of them -- don't mention a word about health, public or otherwise. Health is a private matter and it needs to remain so.

NATO needs to be disbanded; it has been endlessly dishonorable, and in the current instance, criminal, in word and deed. That a membership organization of corporations (NATO) has been allowed to commit Acts of War against civilian populations is outrageous; that the Perpetrators should escape unscathed behind a corporate veil is unthinkable.

Any corporate veil covering NATO's rump needs to be removed and full liability invoked.

The Bayh-Dole Act needs to be repealed.

Covid 19 vaccines need to be withdrawn from the market, immediately if not sooner, and all insurance companies need to be informed of the research findings, so that they begin fighting back.

The banks that have been funding all this criminality need to be tied down and excoriated in public and fined into oblivion.

The practice of licensing healthcare professionals for purposes of coercion and forced duty assignments as members of any "civilian military" must be stopped, and the foreign guild system imposed by the American Medical Association must be destroyed.

The politicians that have allowed this and who counted their obligation to make profit higher than their obligation to the living people of this planet need to be arrested, tried for their crimes, and executed along with the NATO Generals who gave the orders.

Especially those members of the U.S. Congress who promoted mandatory injections for the Public, but exempted themselves and their families need to be

forcibly injected and then hung in public, as these individuals have demonstrated their premeditated criminal intent to profit from the suffering and death of others.

These people are all murderers who acted with malice aforethought and for profit motives. We cannot think of a more criminal and heinous set of actions and motives behind what has been done here to billions of innocent people of all kinds, all colors, all ages, all religions, all nations.

This amounts to deliberate and damaging pollution of the human genome and harmful hybridization thereof with other species' DNA; it amounts to playing God in a state of reckless uncaring ignorance.

Our American Government considers both Bill Gates and Anthony Fauci to be criminals, men who are sociopaths bent on murder for profit, men who have committed these crimes willingly and knowingly, and who are subject to our extraterritorial jurisdiction as violent criminals engaged in murder for profit, torture for profit, human trafficking for profit, and unlawful conversion for profit.

The will and the direction of our American Government is clear: arrest and prosecute them all to the fullest extent of the Law.

They and their corporations must be prosecuted for what they have sponsored and done; the corporations must be dismembered and the men responsible for these corporate crimes need to be hung in public, as a deterrent to any similar corporate criminals in the future.

These are capital crimes committed against innocent members of the public worldwide by a club/cartel of commercial corporations (NATO) in the business of providing government services. These are commercial and municipal crimes that deserve immediate response.

These and other preparations to deal with mass death and disability on a worldwide basis must be undertaken with courage and determination. Both the meaning of health care and the delivery of health care must be drastically and irrevocably reformed.

We are now, unfortunately, in damage control mode, trying to fathom and appropriately respond to the white collar and military crimes that have been perpetuated on this beautiful planet and inflicted on our innocent people. These crimes must be dealt with and there can be no compromise. The cost of these crimes must be exacted from the criminals, not the victims.
