In recent weeks Robert David Steele and the White Hats have uncovered trillions of dollars worth of fraud and embezzlement by Wall Street Brokers and Bankers.

Now they reveal that the names and crimes of all the Deep State traitors are “in the can”— meaning the film and audio tape can, ready to roll.

All Trump has to do is unstopper his ears and listen for himself to the long laundry list of his enemies and the enemies of this country.

Some of them are no surprise —Nancy Pelosi, Chuckie, and Joe for example, exposed and in their own words.

But there’s so much more!

Did you know that these riots are being funded — for sure, with the evidence in their own words— by George Soros, Antifa, and the Jewish Anti-Defamation League (JDL)?

Did you know that —for sure, by their own words and recorded acts— both George Floyd and the Officers involved in the George Floyd Affair were PAID to do this?

(BTW— did you see the Minneapolis Coroner’s report confirming that the fingerprints of the corpse DO NOT MATCH the fingerprints of George Floyd?)

Now, our job is to send this information to Mr. Trump so that neither he nor his Administration have any excuse for failure to take appropriate action to expose, arrest, and prosecute these traitors.

It may seem ironic that we would even have to do this, but it actually helps President Trump.

When Nancy Pelosi gives him the puppy dog eyes and Jared Kushner’s Grandfather expresses his displeasure with the JDL getting caught— Trump can legitimately say, “Sorry folks, I had no choice.”
