

Eff the Parties and the MSM

By Anna Von Reitz

I have long exposed the fact that political parties are nothing but lobbyist organizations, and in the case of the "Democrats" and "Republicans" these lobbyist organizations are generally interested in swinging public money and government contracts to cronies who are either "Workers' in the Democratic Party Myth, or to "Robber Baron" Corporatists in the Republican Party Myth, and this all amounts to the same thing: theft.

These are all Special Interests feeding themselves at the Public Trough at the expense of everyone else, illegally and immorally, and in contravention of the actual government that this country is supposed to have.

If we had any common sense left, we would outlaw the existence of all Political Parties. Full stop.

The endlessly self-serving, gullible, and otherwise ditzy Democrats have managed to elect hard core Communists to the White House, first Barack Obama, and now, Kamala Harris.

Just read Retired Major General Higginbotham's report for yourselves--- quote: "Kamala Harris' father was an avowed Marxist professor in the Economics Department at Stanford University in Palo Alto, CA. Both of Harris' parents were active in the Berkeley based Afro-American Association; Fidel Castro and Che Guevara were the heroes of the Afro-American Association.

The group's leader, Donald Warden (aka Khalid al-Mansour), mentored two young Afro-American Association members, Huey Newton and Bobby Seale; they created the Maoist inspired Black Panther Party which gained strong support from Communist China; the Black Panther Party served as the model for creation of the Black Lives Matter Marxist organization Khalid al-Mansour subsequently went on to arrange financing and facilitated for Barack Hussein Obama to be accepted as a student to matriculate at Harvard Law School." --Unquote.

This information isn't exactly new, folks, but when and where did you ever hear it during any of the political campaigns, eh? Certainly not a word from either political party.

No information from the Mainstream Media, either. Not a peep. Just a lot of bowing down and kow-towing based on the color of a person's skin, which by my reckoning, is the actual definition of racism.

Well, I'm sick of it. Are you sick of it? It's time to judge people by who they are and what they do. Now.

If you are an American and "full up" with all this crap, including the institutionalization of racism, commercial slavery, and politicization of science, go here: www.TheAmericanStatesAssembly.net

And tell Harris what you think of her cowardice and refusal to face the mess that she has helped create at the Mexican border and the genocide of millions via medical malpractice and the development and deployment of illegal bioweapons.

Let's forget about "the outrage of the Left" and "the do-nothing idiocy of the Right" and concentrate on what's owed to the Middle. Us.
