

International Public Notice: Prince of the Air Confirmed

By Anna Von Reitz

We have for some weeks speculated that the only Office of the Papacy left for Pope Francis to occupy is that of "the Prince of the Air", meaning that he has taken the office of Satan's top general.

This has been confirmed by recent statements made by Francis telling Christians that they must "open their hearts to Satan" and pray to him for "true enlightenment".

Remember that Jesus refused to worship Satan and remember why.

True to form, the Liars are trying to unlawfully convert the Christian Church and redefine it as a pagan cult. Just as they have tried to redefine Americans as British Territorial U.S. Citizens using unconscionable contracts. Just as they have tried to redefine Protestants as "lost Catholics".

The Truth is not in them.

We are enlightened already and have been tracking the operations of the Jesuit Council for many years.

This is the set up that was put together by the Secular side of the Roman Catholic Church, which always maintained a secret priesthood devoted to Satan worship.

"Pope" Francis has now entered into the office of High Priest of Satan and is openly revealing himself as the Prince of the Air.

Fine. That automatically reduces him to someone having no authority, moral or otherwise.

We already recounted how he could not be in the Office of the Roman Pontiff nor the ministerial Office of the Pope, so the only remaining office was Prince of the Air. No great surprises.

Alright, so he isn't doing his duty as Pope to dissolve the legal fictions, because Satan, the Ultimate Liar, is the Father of All Lies, and what is a "Legal Fiction" but a Lie?

These corporations are all Satan's "children". They are all Legal Fictions, that is, they are lies by definition. Thus, Satan's High Priest seeks to protect them and advance them to rule over the living people of the Earth.

Let us suggest to the Jesuit Council that as this man is no longer serving as a Christian Pope, but is an openly avowed Satanist, you no longer owe him any service or loyalty.

Neither do the 1.2 Billion Catholics on this planet.

Lately, there have been many attacks, especially arson attacks on Catholic Churches. This rampage began with the attack on Notre Dame Cathedral and has continued as church after church is burned to the ground, and always with the same MO: it was an inside job.

Members of the congregation or the clergy influenced by Satanism and having access to the church facilities have acted as arsonists and are burning these churches down.

This serves two functions. It makes people think that the Church is being attacked from the outside, when in fact it is being attacked from within, and it garners sympathy from the public.

These attacks put the actual Christian Church Officials and the police off the scent, unable to detect the shameless Liars who pretend to be the victims of the fires they lit.

This is just par for the diabolical.

Usually, there are only two functional parts of the Roman Catholic Church, but the Third Unction has always been there. So now we have a battle between closet Satanists and sincere Christians engaged, and at the outset, the Satanists have finagled to get their minion in place as Pope.

Francis opines that he has no duty under Ecclesiastical Law, because Satanism is not part of Ecclesiastical governance; in the same token, he has no right to occupy any office of the Roman Catholic Church, for the same reason.

Tit for tat.

Francis must be removed from office in the Roman Catholic Church because he is no longer a Roman Catholic. He is only a Roman now.
