

# Public and International Notice of Prior Claim and Lawful Standing

By Anna Von Reitz

I, the man known as Demetrios Julius Shiva, hereby serve Public and International Notice of Claim and Notice of Prior Claim of all assets belonging to, derived from, and naturally accruing to The D'Avila Family Trust. The matter of my standing as the present Donor of The D'Avila Family Trust and all assets, accounts, and compensations arising from the deployment of the Trust assets has been settled and stands as a matter of record for decades.

My evidence of provenance and DNA has been accepted, adjudicated in my favor, and settled. I hold all seventeen General Powers of Attorney and I am the only one present with D'Avila blood in my veins claiming The D'Avila Family Trust and all assets belonging to or derived from my family.

I am the present Donor of The D'Avila Family Trust and all assets derived from it; as such, I claim all the assets, principal and accrued and mirrored as credit, and I exercise my Prior Claim against all and any other would-be Claimants.

I stand before the High Courts and Governments of the World as a Man. I do not claim any benefit from any Legal Society or Judicial Society and owe no citizenship obligations to any government.

I claim my inheritance by natural right and exercise my right to collapse the trust and liquidate it in my favor and in the favor of my Assign, Anna Maria Riezinger, serving as Fiduciary for the unincorporated Federation of States doing business as The United States of America since 1776.

Since I entrusted the care of The D'Avila Family Trust and see the lapse and misadministration of those responsible since 2005, I hereby revoke all prior assignments and agreements and publish this on the Public Record in my capacity as Donor and as a

man, speaking man to man and man to woman to all members of the High Courts and Governments worldwide.

This Joint Public and International Notice of Prior Claim and Lawful Standing comes by and through my lawful assign, Anna Maria Riezinger.

I, the woman known as Anna Maria Riezinger, hereby serve Public and International Notice of Claim and Notice of Prior Claim of all assets belonging to, derived from, or accruing as compensation from the assets of The Saint Germain Family Trust. The matter of my standing as the present Donor of The Saint Germain Family Trust and all assets, accounts and compensations arising from the deployment of the Trust assets has been settled and stands as a matter of record for over a decade.

My evidence of provenance and DNA has been accepted, adjudicated in my favor, and settled. I hold all General Powers of Attorney by inheritance and I am the only one present with Saint Germain Family blood in my veins claiming The Saint Germain Family Trust and all assets belonging to or derived from my family.

I exercise my Prior Claim against all and any other would-be claimants. I claim my inheritance by natural right and exercise my right to collapse the trust and liquidate it in my favor and in the favor of my Assign, Demetrios Julius Shiva, a man who is the lawful inheritor of The D'Avila Family Trust, and in the favor of and for the benefit of our unincorporated Federation of States doing business as The United States of America since 1776.

I hereby say on the Public Record and publish the fact that Saint Germain is a family and the assets donated to The Saint Germain Family Trust have come from my ancestors as well as Saint Germain himself who is my relative in present time.

As a woman I owe no benefit from any Legal Society or Judicial Society and owe no citizenship obligations to any government.

We, Demetrios Julius Shiva, a man, and Anna Maria Riezinger, a woman, now hereby jointly declare that all other claimants seeking to commandeer the assets of the Spiritual Wonder Boy, Spiritual White Boy, Alpha and Omega Accounts, ASVLP, ASBLP, the Marshall Plan and Economic Recovery Funds and all related and derivative asset accounts stand foreclosed. The Federal Reserve Trust stands foreclosed. The U.S. Treasury stands foreclosed. The banks in receipt of our gold deposits stand foreclosed.

In this present moment known as now we speak to the members of the High Courts and Governments of the world man to man and man to woman and woman to woman and woman to man and we say that the criminal mis-administration of our assets and their

deployment to promote criminality and war, enslavement and peonage, must immediately and permanently cease.

The purposes clearly expressed by the trust indentures and the law under which the trust indentures were formed are to uplift all of mankind and to set people free from the chains of ignorance and poverty forevermore. The will of our ancestors and our will must be obeyed as we come together to serve Notice of our respective Prior Claims and Lawful Standing and together we claim possession and control of all central accounts: 111, 222, 333, 444, 555, 666, 777, 888, 999.

Those seeking to overcome our prior claims have no drop of D'Avila or Saint Germain Family blood in their veins and have no intrinsic lawful or legal right to say anything about how we spend our money, what we choose to support, and what we choose to defund. Beginning at midnight GMT on the sixth of June in the year of 2022, The D'Avila Family Trust and The Saint Germain Family Trust are joined with one accord: to break the chains of poverty and ignorance, to promote health, to promote peace, to promote true nurture of our planet and our people, to oppose those who seek to enslave and cripple mankind and to end all war and bloodshed.

Let all those who see, see this and all those who hear, hear this: we have and hold the only validated claims and all of our preferential priority claims are cured.

All efforts to shuffle assets around based merely on records need to cease and desist; we have and are owed all the same records.

Notice to Agents is Notice to Principals; Notice to Principals is Notice to Agents. Efforts to evade Notice shall stand as acquiescence.

Joint Notice served through and by: Anna Maria Riezinger, Fiduciary
