

## Public Letter to the Society of Jesus

By Anna Von Reitz

You have been over-run from within. Pope Francis, as a Jesuit, cannot give his ultimate allegiance to himself, except as Satan gives his ultimate allegiance only to himself. This is what the ego and the separation and the conflict of consciousness has always been about.

The logic of this is inexorable and unavoidable. And so are the apparent results.

Earth is the Garden of Heaven, and we are separated from it by The World.

Francis, caught in this existential conundrum, can only deceive, and the deceit results in fraud, which results in nullification and paralysis.

The Church cannot protect herself under such a circumstance and no man can serve two Masters.

Pope Benedict XVI gave the Seal of Saint Peter and the Keys to the Storehouse of the Lord to James Thomas McBride, and instructed him as the Regional PostMaster for North America, to open the storehouses for the comfort and survival of the living people.

James Thomas McBride did this to the best of his ability, but he was attacked by the Federal Bureau of Investigation (FBI) ---another out of control private-for-profit corporation calling itself an "Agency" and being misdirected by unelected businessmen and hired bureaucrats.

They stole the Seal of Saint Peter.

They threw James Thomas McBride in jail.

They laughed at him and they prosecuted McBride, just as the Sanhedrin prosecuted Jesus on False Charges, and it is their fault that the Storehouse of the Lord is being plundered by evil men and commandeered for the use of evil.

We have reason to believe that the FBI is under the control of the Swiss Octagon Group and that the Seal of Saint Peter has been transferred to the Bank for International Settlements for use as a rubber stamp to okay the abuse of gold and other assets belonging to the Church and to living people who are the lawful heirs of these assets.

The Father of All Lies has simply lied about them and claimed that they voluntarily "waived their estates" so as to form unconscionable infant decedent estates while they were themselves still babies in their cradles.

This cruel subversion of trust and truth is the foundation that Satan would have the "New World" build itself upon.

So now you find the Church attacked on all sides, and even worse, you find that there is factual evidence that some of these attacks are justified.

Corruption of the Church's administration has occurred and even the Pope's Office has been twisted around out of all recognition or sense.

Francis Bergoglio was a chemist. He knew the Carbon Cycle. There would be no plausible excuse for ignorance on his part, leading him to support the New Green Deal. The only green on the table is USD and a new taxation scheme designed to inflict more senseless suffering on the people.

This, when Pope Benedict XVI has already directed that the people must be comforted and sustained, and ordered the opening of the Storehouse of the Lord?

It is your apparent duty to deal with the FBI and the Octagon Group and the Swiss Government and the Vatican Administration, and yes, with Pope Francis, too, while the College of Cardinals and the Roman Curia must deal with the consequences of both their actions and inactions.

We, the international government of The United States, have asked for the dissolution and liquidation of numerous offending corporations, which have deeply indulged in unaccountable and horrific unlawful profiteering, resulting in the death, maiming, and misery of millions of innocent people.

The offending corporations have done this to profit themselves from sales of their products and services, and to advance a scandalous redefinition of living people as Genetically Modified Organisms, which these offending corporations claim to own as

property via patents held on their genetically engineered bioweapon --- a scrap of mRNA and adjunct agents disguised as a "vaccine".

The presence and action of the Father of All Lies is apparent in all of this.

The Municipal Government of the United States acting as a parent corporation has participated in this genocide for a share of the profit and to save itself the cost of pensions and services owed to elderly retirees, and at the end of the day, all this is coming back on the Church and the Roman Curia.

As Defenders of the Church and of the Faith, you have no choice but to act and to act decisively in favor of Life and Truth, and to bring a swift and just end to the crimes and corporations responsible.
