

Red Alert! Another Bankruptcy Fraud in Progress! Please Post Notice!

By Anna Von Reitz

Americans----- another Territorial United States "National" bankruptcy FRAUD is in progress and coming at you!

On May 1, 2017, an international day of Communist celebrations and also a Satanic festival, it is the stated intention of the "THE UNITED STATES OF AMERICA" (INC.) to declare bankruptcy and turn over its Puerto Rican Electrical Utility to international bankruptcy courts and bank-appointed trustees. There is just one little problem. Mr. Obummer created and named millions of public transmitting utility franchises of this bankrupt Puerto Rican Electrical Utility to stand as sureties for its debts. And they are all named, nominally, after living Americans.

Remember how the vermin mischaracterized your estates as ESTATES named after you, so that "John Allen Dunn" became "JOHN ALLEN DUNN"?

Well, now the limey cretins are trying another trick. They are trying to redefine and rename JOHN ALLEN DUNN as JOHN A. DUNN --- a purported franchise standing as surety for their bankrupt Puerto Rican Transmitting Utility.

Please note that "JOHN A. DUNN" isn't even a legal name. It is no name at all for lack of specificity. Is that "JOHN ALLEN DUNN"? Or "JOHN AMBROSE DUNN"? Or "JOHN ALLISON DUNN"? Or, or, or.....?

I am bringing judgment to the World Court concerning this blatant attempt to defraud Americans and I am writing to Attorney General Jeff Sessions to protest this fraud upon the bankruptcy court.

What I want all of you to do as your part of the effort--- those who can afford to do so --- immediately put advertisements in the "legal section" of your local newspapers as shown below and upon publication, send a copy of the ad along with the name and address of the newspaper and the publication date to me at: Judge Anna Maria Riezinger, c/o 1336 Staubbach Circle, Anchorage, Alaska 99652.

This, and writing letters to the US Attorney General and President Trump, are the most effective actions you can take to prevent and forestall another attempted "national" bankruptcy fraud scheme of the Territorial United States aimed at the American states and people.
