

Reply Concerning Charlie Ward

By Anna Von Reitz

Yeah, so why are we so stupid as to listen to another Brit like “Charlie Ward”? Why not at least dig up an American Mouthpiece, if they can find one American still loyal to their Tory Anglophile Cause?

After what we’ve been through they will be lucky to be able to sell BBC movies, tea, and shortbread biscuits here.

The Brits get back in their box and they stay there — those are the only “terms” I am willing to give them.

So far as we are concerned they are the ones that have the problem, not us.

And the solution does NOT include establishing any “Kingdoms” in America.
