### Summation

You summed up the problem in the first few sentences, Ron.

You don't care about facts or law. You only appear to do so. You pick and choose whatever seems to support your indoctrination and ignore everything else that is staring you in the face. I have referred you to the copious citations provided in my books and articles and given you my sources, but you proudly declare, in essence, that you 'don't need no Legal Dictionary'.

Well, it's your life.

I have given you and your Pals a Cease and Desist Notice and drawn a strict line between your "group" and The Oregon Assembly.

I gave you the Cease and Desist for your own sakes, because I don't want to see more good people go to jail like The Colorado Nine did.

They were friends, I tried to save them what they have suffered, but like you, they wouldn't listen to any information that wasn't already in their Public School indoctrination.

Let it be a matter of Record that the so-called Oregon Jural Assembly is not associated with The Oregon Assembly and its lawful State Jural Assembly.

Despite the perhaps deliberately similar names, these are two different groups, and I do not want our people harmed by or implicated in anything you are now doing.
