

International Public Notice: Stop the Probate Fraud

By Anna Von Reitz

To all people of good will and sound mind:

There is no more urgent cause than to stop the ongoing probate and bankruptcy frauds that are rife in this country and taking place on a worldwide basis.

There is no probate court authorized to operate in this country.

Any court that is operating as a probate court anywhere on our soil and misaddressing Americans as foreign corporate "persons" is operating extraterritorially and in violation of international law.

Anyone caught pursuing probate of American property or including Americans or American assets in the bankruptcies of the US CORP and U.S.A. Inc. or any other foreign governmental services corporation based on the idea that we, Americans, knowingly and willingly accepted and adopted foreign citizenship obligations and voluntarily operated in these capacities, is a criminal conspirator engaged in gross breach of trust, international inland piracy and fraud.

They are to be arrested and turned over to the nearest Public Safety Office.

All loyal officers and people of this country are called to defend our country and countrymen from this outrageous fraud scheme and are reminded that there is no statute of limitation on crimes of fraud or crimes of state, either one.

Let all people worldwide similarly wake up and rise up and repel these shameless white collar criminals.
