

International Public Notice: United Nations Agenda

By Anna Von Reitz

We have been trying to extract the bullet points of the ever-changing, appearing, and disappearing United Nations Agenda for the "New World Order", which has always seemed to us to be a compendium of the worst ideas and elements of the Old World Order --- and, Shazaam!

For once, the UN Corporation did it for us:

NEW WORLD ORDER UN AGENDA 21 / AGENDA 2030 MISSION GOALS

-
- One World Government
 - One World Cashless Currency
 - One World Central Bank
 - One World Military
 - The End of National Sovereignty
 - The End of All Privately Owned Property
 - The End of the Family Unit
 - Depopulation, Control of Population Growth and Population Density
 - Mandatory Multiple Vaccin.
 - Universal Basic Income (Austerity)
 - Microchipped Society for purchasing, Travel, Backing and Controlling
 - Implementation of a World Social Credit System
 - Trillion of Appliances Hooked into the 5G Monitoring System (Internet of Things)
 - Government Raised Children
 - Government Owned and Controlled Schools, Colleges, Universities
 - The End of Private Transportation, Owning Cars, etc.
 - All Businesses Owned by Government/Corporations
 - The Restriction of Nonessential Air Travel
 - Human Beings Concentrated into Human Settlement Zones/Smart Cities
 - The End of Inigation
 - The End of Private Farms and Grazing Livestock
 - The End of Single Family Homes
 - Restricted Land Use that Serves Human Needs
 - The Ban of Natural Non Synthetic Drugs and Naturopathic Medicine
 - The End of Fossil Fuels

Now whether this is an agenda based in Communism or Fascism or both, it really doesn't matter.

What matters is that it is blatantly crazy, evil, and criminal. And all those promoting this have committed treason against their countries and their countrymen and deserve to be utterly destroyed.

This is being foisted on the world by unelected bureaucrats working for commercial and municipal corporations that are merely in the business of providing "essential government services".

Time to liquidate all those corporations and lawfully convert them --- that is, "nationalize" them.

Including the UN CORP.
