

The "Terms of the Gift"

By Anna Von Reitz

A few days ago I wrote an article called "The Big Con" in which I described the treasonous manner in which you have been conscripted, used, and abused for the benefit of foreign powers as a result of treason by FDR and others.

I also made the apparently stunning revelation that the "income tax" is considered a "gift" tax on your ESTATE, which you and your Mother purportedly donated to the Municipal United States (as Trustee) for the benefit of the Territorial United States Government (the purported Beneficiary). Here is the actual citation proving it:

United States Code (USC) Title 31, Money and Finance

Subtitle I, General

Chapter 3, Department of the Treasury

Subchapter II, Administrative;

§321, General authority of the Secretary

(d)(1). *The Secretary of the Treasury may accept, hold, administer, and use gifts and bequests of property, both real and personal, **for the purpose of aiding or facilitating the work of the Department of the Treasury.** Gifts and bequests of money and the proceeds from sales of other property received as gifts or bequests shall be deposited in the Treasury in a separate fund and shall be disbursed on order of the Secretary of the Treasury. Property accepted under this paragraph, and the proceeds thereof, shall be used as nearly as possible in accordance with the terms of the gift or bequest.*

(d)(2). *For purposes of the Federal **income**, estate, and gift **taxes**, property accepted under paragraph (1) shall be considered as a gift or bequest to or for the use of the **United States.***

And now, that you have proof that your ESTATE was supposedly "gifted" to these venal criminals while you were still a baby in your cradle and then mis-administered by other venal criminals "in your behalf", what are you going to do about it?

Sit there and smile while they rape and pillage the "infant decedent's ESTATE"? Did you or your Mother ever consciously and "voluntarily" gift your Good Name and Estate to the Territorial United States? Ever? No? Well, get on your shit-kicking boots and say so. Stand up. Go after the bastards who have mis-represented you in this outrageous fashion.,

There is a lawful way to deal with this. You form your Jural Assemblies, you elect your Land Jurisdiction Sheriff, you elect your Justice of the Peace, you set up your State Court and you arrest these undeclared foreign agents caught engaged in conspiracy against the actual Constitution and participating in extortion and racketeering on your soil.

You then inform the Territorial Government and turn them over for prosecution.

So what is so hard to understand about this situation? You need to reclaim your "reversionary trust interest" in your own Good Name and ESTATE and return to the land and soil of your actual birth, see through all this legal chicanery, and start holding those responsible feet first to the fire.

These are criminals we are dealing with, both Territorial and Municipal, but when you put your foot down and organize your own courts they have no further recourse. That has already been decided by their own United States Supreme Court in Milligan Ex Parte. Your courts take precedence over THEIR courts.

So get on your feet and address this situation for yourself and for your country.

Do it now, before its too late. Follow the instructions posted on my website --- Article 928 --- to re-stake your claim and join your State Jural Assembly. They can be contacted via www.national-assembly.net and specific help can be accessed by contacting: contentmanager1@yahoo.com.
