

The "Condo Association" Analogy – Re: the united States

Yes, each "State" is a recognized "nation". We are a "Confederation" of "Nation States" first and foremost.

I like to use the "Condo Association" analogy.

Each State is like a Condo Owner. And the Confederation is like a Condo Association. Everyone has their own turf, which is theirs alone, but they freely associate to form a larger group of mutually interested condo owners for the purpose of providing services in common. In a Condo Association those "services in common" might be garbage removal, lawn maintenance, snow removal, and security. For an association of Nation States those same services might be called "minting of coinage, national security, and international trade"—but the idea is the same. You have a group of free and independent estate owners voluntarily coming together to contract for certain clearly defined stipulated mutual services.

The company they created to provide these mutual services was called "the United States (Company)" and the resulting contract was "The Constitution for the united States of America".

In 1863 the United States (Company) was bankrupted and a new organization took over the service contract — doing business as the United States of America, Inc., and it in turn functioned until 1933 when it, too, was bankrupted.

And another governmental services company was formed doing business as the UNITED STATES (INC.) in the interim.

We are at the end of the cycle where they collapse everything and go bankrupt again.

Let us stick it to them in the local and state offices. Bring them to their knees with this fraud. Sure they will deny it and try to avoid it but we know the truth and we WILL prevail!!! Especially with the reemergence of the lawful common law and the grand juries to provide the enforcement.

Stay tuned...lots of exciting things happening...

ONLY THE PEOPLE CAN SAVE AMERICA – WILL YOU?

IN A US SUPREME COURT STUNNING 6-TO-3 DECISION, JUSTICE ANTONIN SCALIA, writing for the majority, confirmed that the American Grand Jury is neither part of the Judicial, Executive nor Legislative branches of government, but instead belongs to the people. It is in effect a fourth branch of

government “governed” and administered to directly by and on behalf of the American people, and its authority emanates from the Bill of Rights and has the power to enforce law and remove people from office.

PLEASE WATCH THE VIDEO: “The Power of the Grand Jury.” We are establishing common law Grand Juries in all 3,141 counties in America. By doing this, the people will move our courts back to “Courts of Justice” and take 100% control of their government. Click “Register” in the upper right-hand corner of the site.

REGISTER WITH THE “NATIONAL REGISTRY” at www.NationalLibertyAlliance.org to become a common law Jurist. NLA has already seated the Common Law Grand Jury in the courthouse and indicted corrupt public officials, and we are undertaking efforts to continue to do so in every county in America.

THE DUTY OF THE “COMMON LAW GRAND JURY” is to right any wrong. If anyone’s unalienable rights have been violated or removed without a legal sentence of their peers, the Grand Jury can restore them. And if a dispute shall arise concerning this matter, it shall be settled according to the judgment of the Grand Jurors, the sureties of the peace.
