Urgent Rat Watch Alert! Here's the Horse's Mouth and the Enemy of All That Is

Thanks to our Rat Watchers, here is one of the King Rats admitting to the "World Economic Forum's" 2019 Goal to reduce world population by 50% by 2023.

Why is this organization still in existence? Why are these 4,000 Corporations still in existence?

Why aren't these madmen and madwomen all locked up and re-educated about basic science?

This is insanity wearing the face of reason. This is treason wearing the face of granted authority.

Where the hell are our law enforcement officers and military?
