

Public International Notice Regarding U.S. Corporations and US CORPORATIONS

By Anna Von Reitz

All research related to and production of all snake venom derivatives in The United States or any other international "state" associated with The United States in any way is strictly prohibited.

The importation of any such product(s) is strictly prohibited and will be prosecuted to the fullest extent of the Public Law as Terrorist activity.

The NIH is hereby dissolved and all assets of the NIH, including its future encumbered expenses, are disallowed. We won't pay a penny in assets or credit for any of it.

Take note, Bank of International Settlements, and Global Federal Reserve and IMF.

The CIA is hereby dissolved and assets of the CIA, including its future encumbered expenses, are disallowed. We won't pay a penny in assets or credit for any of it.

The DOD is hereby dissolved and assets of the DOD, including its future encumbered expenses, are disallowed. We won't pay a penny in assets or credit for the DOD.

PFIZER, INC/Pfizer, Inc. is dissolved and the assets of these organizations are forfeit, including all future encumbered expenses.

We are done with these corporations and their operations. We will not cover them with any public bankruptcy protection. We will not allow any charges on behalf of these institutions and we will not allow any charges by any Successor organizations.

We are done with any contracts with the Holy Roman Empire and their Successors, and also with the British Empire and its Territorial Successors, and with the Governments of Ghent and Westminster, both, which are in violation of their Treaties and Contracts, acting in Breach of Trust and violation of their Service Contracts.

Not another penny.

This is Due Notice to the Bank for International Settlements and all other banks worldwide; the Americans are not paying for any of it anymore.

These corporations are outlawed, criminal renegades owed no quarter in any jurisdiction of law.
