

## International Public Notice: A Most Profound and Useful Summation

By Anna Von Reitz

Once in a while you find a gem-like synopsis that someone else has done that explains and illustrates a difficult concept with grace and simplicity.

Here under the Youtube Title "How "They" Use Your Energy Against You(and you don't even notice) no bs" is such a gem.

If you listen carefully, you will not only understand why nothing changes or only gets worse, no matter which "side" is in control, but you will also see how this result is guaranteed and favors the parasites responsible.

In straight terms, this is why it does not matter if the system is "left" or "right", Democrat or Republican, Muslim or Jew, Communist or Fascism.

As the Founder of Rat Watch observed, "Red pigs, black pigs, white pigs, pink pigs --- they are all pigs."

And as she also opined, "Your choice is between chocolate-flavored sh\*/t and vanilla-flavored sh\*/t, and at the end of the day, it's still sh\*/t."

Now that you have the fundamental mindset and proper point of observation firmly in hand ---- listen to this video and understand it:

And say, "No!" to this system of things, in sum total, forevermore.
