

We Are The Lab Monkeys

From James C. Belcher

.The forwarded information provides first-hand proof of criminal collusion resulting for-profit medical racketeering. We demand the immediate involuntary liquidation of Pfizer, Inc. and all colluding accomplices. Any organization, corporation, or individual who receives this message and who fails to take immediate action in the Public Interest is part of the problem and an accomplice to the crime(s).

James Clinton Belcher, Head of State

The United States of America.
