

Constitutional Enforcement Pre-Study Materials -- Part 4

By Anna Von Reitz

We are continuing to release the Pre-Study Materials for the Constitutional Enforcement Seminar coming up next week. Part 4 is attached and/or will be soon available on my website: www.annavonreitz.com and www.TheAmericanStatesAssembly.net as a printable pdf.

I know that this material requires a stiff upper lip and provokes plenty of questions, so am trying to get it out at a pace that gives everyone a chance to read and digest, but not overwhelm.
