

The Battle For Your Hearts and Minds

By Anna Von Reitz

Have you ever thought of yourself as a kingdom and seen yourself as the heir of that kingdom?

Probably not, and yet, it is self-evident and true that you have physical substance and that physical substance was bequeathed and inherited by you as your unique possession.

Your body is your kingdom, and your mind is the guardian of your kingdom, for whatever you believe you will feel, and most likely, act upon.

Thus, your kingdom becomes the battleground and your ability to think, reason, observe, and discern the truth becomes something of paramount importance.

You didn't realize it, but the fate of your kingdom rests with you.

Now you find yourself surrounded by liars and charlatans, and you are sifting through the lies and omissions that have already compromised your life and your health, and you are wondering who to believe and what to do?

Your kingdom is under assault. What do you do?

Check your bearings.

Who are you? An American? A U.S. Citizen? A citizen of the United States?

Which Assembly do you belong in? State Assembly? District Assembly? Municipal Assembly?

Where do you live? A State of the Union? A State of State? Or a BOROUGH?

What's the truth? And where do you stand?

Are you a Follower of Joshua? A priest of Jesus? An acolyte of something called the Christ?

With all the swirling madness caused by "Legalese" and "Double-Minded"— even triple-minded— thinking, it's like the Tower of Babel revisited.

People are confused.

Are you free to live your life? Are you “required” to wear a mask? Who or WHAT is subject to all these crazy “mandates” and “proclamations” and “orders”?

Who died and left Anthony Fauci to play God?

And what KIND of “Governor” is Governor Newsom?

You are the master and only heir of your own Kingdom. You were given your kingdom as a gift. It’s yours. But you have to remember who you are. You have to clear your mind and center on the truth.

If you are an American, you need to declare and record your birthright political status and join your actual State Assembly.

If you are a Federal citizen of either kind, go join a District Assembly.

Americans go to: www.TheAmericanStatesAssembly.net and get started on the road to freedom.

There are sheep, there are goats, and there are corporations.

Which one are you?
