

Actual Judicial Notice now up on Anna's Website

This link will give you the Judicial notice and filing information for the actual signed Judicial Notice of Claim of June 29, 2017, filed in Alaska.

<http://annavonreitz.com/judicialnotices/index.html>

These are in JPG format. In other words they are a picture of the actual documents.

To print you need to save them to your drive, then open them in a graphics program like PhotoShop, or Corel, then print them from that program.
