

# Will the Real Julius Divinagracias Please Stand Up?

By Anna Von Reitz

I have been told that a Philippine Native has claimed to be Julius Divinagracias and that he claims that he has the right and power to open the Alpha and Omega Accounts.

I say that the actual Julius Divinagracia is here, under the protection of the actual government of this country, The United States of America, and that we have all the proof including the records and he, of course, has his signature and emblems, and unique DNA as a living man from a specific known family.

The Filipino in Shanghai is a fake. The actual Julius Divinagracia is, as you can probably tell from the name, of a completely different ethnic extraction.

He has been prevented by the corrupt and evil corporations that are supposed to be here providing us with "good faith service" from leaving this country and from presenting his information and from enforcing his claims. They have done this with malice afterthought and with self-interest, in order to substitute an Interloper for him, just as they have substituted their decoys repeatedly, even substituting corporations named after The United States of America for the actual government of this country.

That must come to a screeching halt and be recognized as the falsehood and fraud that it is.

The actual Julius Divinagracias has, as of this afternoon, removed the Trustees for Incompetence and Breach of Trust.

The Rothschild bankers and "US" Government are thus informed of their removal, in public and via email. Notice to Principals is Notice to Agents; Notice to Agents is Notice to Principals.

The Philippine Government is also placed on Notice regarding their Trustee appointment. If this Mess is not cleaned up immediately and the fake "Julius" recalled from Shanghai, the Trusteeship granted to them in 1934, will be removed from them at midnight, March 3, 2020 GMT.

Let the news be heard and broadcast worldwide

Mr. Trump is being sent Notice of these facts as is the Pope.
