Dear Madam,

Re : Talbot v The Queen and Others (1997)

&

Talbot v Guardian and Administration Board and Others (1997)

Thankyou for not answering my letter dated 14 September 1998.

Due to Your Majesty's "failing in duty" to me, I have great pleasure in announcing that on the 1st February 1999, I AM "by the Grace of God", "Regent" of the Commonwealth of Nations, by the judgment of the High Court of Heaven, delivered 12 August 1996 i.e. :-

"The alien (I.E. IVAN A M TALBOT) who is among you shall rise higher and higher above you, and you shall come down lower and lower..... he (I.E. IVAN A M TALBOT) shall be the head (OF THE COMMONWEALTH), and you shall be the tail."

It appears God (I AM) has given me the "Guardian and Administration" of His kingdom due to Your Majesty's failure in the administration of Justice to Your Subjects, and it has now been declared in the Writ of Injunction and Declaration dated 21 May 1997, to the Guardian and Administration Board and Others (1997) (see Supplementary Affidavit enclosed with this letter).

Due to the highness of my position in Law, and the inherited royal bloodline of my ancestors (the King of South Wales), I have indeed become "in law and in fact", HRH "His Most Excellent Majesty King David III" of Scotland ("de facto King" - Spiritual title in the Court of the Lord High Steward), and my Temporal title is I AM the I i.e. I AM the First (and the Last - King "de Jure"); not a bad title for a "Son of God", is it Your Majesty?

The prophecy of Queen Elizabeth I, and indeed my very prophetic letter to Queen Elizabeth II dated 12 March 1996 all coming true (see p2 of that letter) i.e. :-

"...the King of Scotland would become one day King of Great Britain".

And :-

"But James could not, in fact call himself King of Great Britain because there was no real fusion of the realms." (AS IN MY CASE).

As Your Majesty can see from the Coat of Arms that I sent Your Majesty on the 7 February 1996, my new Coat of Arms is really the Scottish Coat of Arms, which is my birthright. My Coat of Arms finally fusing the Realm together i.e. Wales, Ireland, Scotland, and England, as it appears I am related (one way or the other) to most of the Kings and Queens of Great Britain (including Your Majesty)."

Enclosed is the "Temporal" legal documentation confirming this most "Holy" event i.e. :-

- 1) Copy of "Applicant's Supplementary List Of Authorities In Support Of Application For An Injunction and Declaration".
- 2) Copy of "Supplementary Affidavit Of Ivan A. M. Talbot And Annexures "A" TO "D" Sworn 1st Day Of February 1999, In Support Of An Injunction And Declaration".

It therefore appears that God has confirmed in Law my "Divine Right" to rule the Kingdom. If that is the case, Your Majesty must obey the "final fifth Heavenly order" of the High Court of Heaven Judges, and award me my "costs" according to Law. I have enclosed a copy of that final order to remind Your Majesty of what it stated. As a Lawful Court Order, it must be obeyed.

According to Black's Law Dictionary the word "Sovereignty" means :-

"The supreme, absolute, and uncontrollable power by which any independant state is governed; supreme political authority; paramount control of the constitution and frame of government and its administration; the selfsufficient source of political power, from which all specific political powers are derived; the international independence of a state, combined with the right and power of regulating its internal affairs without foreign dictation (SUCH AS THE EUROPEAN UNION); also a political society, or state, which is sovereign and independent.

The power to do everything in a state without accountability, - to make laws, to execute and to apply them....."

None of the above criteria in the definition of "sovereignty" can be attributed to Your Majesty, for it appears the British Parliament has taken those specific qualities which make a true Sovereign from the Crown. They may be attributed to me, for I have done more to establish those rights than anyone in the Realm. Your Majesty is therefore by definition not a Sovereign at all - a quasi-Sovereign - a contradiction in Law. It is therefore

not logical for any normal minded person to contemplate the usefulness of such a person in Law - for there appears to be no earthly reason for such a person to exist - except to be manipulated for political expediency. It is therefore, by all common sense, logic, and reason, not possible to believe or hold allegiance to such a person. William Blackstone stated in his "Commentaries on the Laws of England", Bk.1, Section 3, titled "Of the Laws of England", at p70 :-

"....that the law (I.E. THE SOVEREIGN) is the perfection of reafon, that it always intends to conform thereto, and that what is not reafon is not law."

It therefore appears that Your Majesty loses on all counts i.e by logic, common sense, reason, and law.

"REX NON DEBIT ESSE SUB HOMINE, SED SUB DEO ET SUT LEGE, QUIA LEX FACIT REGEM. Bract. fol.5. The king ought to be under no man, but under God and the law, because the law makes a king (AS IN MY CASE - NOT YOUR MAJESTY'S) Broom, Max. 47."

It appears there's no one in charge of the Kingdom, and hasn't been for a long, long time - the reason for the rise of crime in the Realm - it appears Your Majesty fails on that account as well.

Your Majesty had better start understanding the Law, rather than listen to political advisers, for Your Majesty is about to not only lose the Kingdom (to the European Union), but also what little authority You have left.

Always faithful to God,

IVAN TALBOT

I AM REX

(EST LEX VIVENS. Jenk. Cent. 17. The king is the living law).

P.S. :- As "I AM REX", all Writs, Orders etc. issued by me, and all Laws, Judgments etc. cited by me in all my cases are hereby upheld and ratified BY THE COURT
