

The Maiden Voyage

By Anna Von Reitz

The Team has been hard at work all week developing the new website and countrywide teleconference for The American States Assembly. Much applause!!!! And many thanks!!!!

We decided to call it a "countrywide" call instead of a "nationwide" call, because there is only one country and this organization is devoted to assembling the land and soil jurisdiction States, finishing the Reconstruction of the "missing" Federal States of States, and ultimately convening a Continental Congress to take care of other business that has been left hanging for more than a century.

We are all about the actual, physical, geographically described States -- and our primary Mission is to: (1) return people to their birthright political status as Americans; (2) assemble our States of the Union; (3) enforce the Public Law, including the Constitutions; (4) take care of the business outlined above.

This Mission if you decide to accept it, will return you and your family to the land and soil of your birth. It may surprise you to learn that you ever left it! So think of it as a homecoming, back to a place where you belong, where your rights and private assets are protected, and you don't have to live in fear of your own public employees.

We will be having our first "Countrywide Call" tomorrow, March 11, 2019.

Join us for the Maiden Voyage. I am recovering from a week long fight with the flu, so my voice sounds like gravel, but it will have to do. We are trying to make this a short but highly productive and informative one hour per week.

You can join via Zoom, or via telephone. Details listed below.
