

50 States Metes and Bounds

Respectfully submitted by Harold-Nathin: Epperson (hal.epperson@ateam.net)
Professional Land Surveyor, Certified Federal Surveyor, on the Arizona Republic,
February 19, 2010.

The following list was compiled per request. Hours of research went into collecting the information. Most metes and bounds descriptions for the States were found through Constitutions, Revised Statutes, Acts of Congress, etc.
