

## Our "Great Work" Versus THEIR "Great Work"

By Anna Von Reitz

Today, of all days, the Fourth of July, this blockbuster radio broadcast from the late (and truly great) William Cooper surfaced again; after many years, I listened to it again and recalled a time in my life when I was deeply immersed in the study of witchcraft and "spiritual philosophy" --- not to practice it, but to know it.

Here is the link. I suggest that everyone take the time to listen to it carefully and match it up with the present negotiations to join Mexico to the United States.

Mexico is the "missing capstone" of the pyramid which appears on the reverse side of the Great Seal of the United States. Practitioners of this ancient religion believe that if and when Mexico is joined to the United States, it will issue in a new Golden Age and the rebirth of the civilization of Atlantis.

A first principle of action in all things is to clearly define the problem(s) you are facing, and the second principle is to know your enemy.

Understanding this, it should be no surprise that I have driven very deeply into the darkness to define and perfect my own light.

The first thing you must understand is that the words "The Holy Bible" translate as "The Sun Book".

The second thing to know is that the Bible is a grimoire -- a book of magic spells and incantations, as well as a scripture. It just depends upon how you read it and what you read it for.

It represents the scripture of Ancient Egypt, Judaism, and Christianity and can be cherished by literate pagans for reasons that would shock and amaze most Jews and most Christians.

As William Cooper noted in this referenced radio broadcast in the link above, the popular and beautiful song, "The Rose", has a double meaning, one that is obvious and one that is not, except to the initiated. It is the same way with The Holy Bible.

The third thing to know is that long, long before Jesus, Mary, and Joseph -- at least 24 centuries before -- there was another Holy Family: Horus, Isis and Osiris, respectively. Wikipedia summarizes their story thus:

"The **Osiris myth** is the most elaborate and influential story in ancient Egyptian mythology. It concerns the murder of the **god Osiris**, a primeval **king of Egypt**, and its consequences. Osiris's murderer, his brother **Set**, usurps his throne. Meanwhile, Osiris's wife **Isis** restores her husband's body, allowing him to posthumously conceive their son, Horus. The remainder of the story focuses on **Horus**, the product of the union of Isis and Osiris, who is at first a vulnerable child protected by his

mother and then becomes Set's rival for the throne. Their often violent conflict ends with Horus's triumph, which restores [order](#) to Egypt after Set's unrighteous reign and completes the process of Osiris's resurrection. The myth, with its complex symbolism, is integral to the Egyptian conceptions of kingship and [succession](#), conflict between order and disorder, and especially death and the [afterlife](#). It also expresses the essential character of each of the four deities at its center, and many elements of their worship in [ancient Egyptian religion](#) were derived from the myth." -- unquote.

So... in Egypt, long before, we have a murdered god--Osiris. (Or was it Jesus?) His body is recovered and anointed and brought back to life by his wife, Isis. (Or was it Mary Magdalene?) Together they conceive a son even after Osiris's death: Horus. (Or was it the Risen Christ?)

The links and the interplay go far, far beyond this skeletal comparison.

Notice that while he was in Egypt, according to the Old Testament, Joseph married the daughter of the Egyptian High Priest, so that his sons Ephraim and Manasseh, were half-Egyptian.

Notice that if you count carefully, there are Thirteen Tribes descended from Jacob, not twelve.

Notice that when David stole Bathsheba, she was a Hittite, so that their surviving son, Solomon, was half-Hittite, too.

Now, notice that Solomon's Temple had a design with an Outer, Middle, and Inner Court. The Outer Court is where the common people came to worship. The Middle Court was where the Magistrates -- the Judges -- held court -- literally -- to settle disputes and to purify themselves. The Inner Court was occupied by the High Priest and his entourage only.

So where are all the Bar Association Members in America "lodged"? The Middle Inns of Court in Westminster, part of the Crown Temple complex.

These people are pagans and practitioners of witchcraft -- literally -- and for thousands of years it has been this way.

In the center of Solomon's Temple is Solomon's Seal. It is a great circular raised foundation that any witchcraft practitioner from Boston to New Delhi will recognize as a "Magic Circle"--- "the place that is not a place, in a time that is not a time" --- a symbolic representation of the "Eternal Moment" known as "Now".

Many of the ideas and beliefs these people have are not that strange or evil at all, but some of their teachings border on the criminally insane, and it is the pernicious evil of these relatively few beliefs and practices that set us eternally at odds.

Though much more aware of ancient history and mythology than average Christians are, the followers of the so-called "Egyptian Mysteries" are deceived and their religion has long been polluted by Babylonian idolatry (money worship) and child sacrifice (necessary because they use sex as a sacrament and that led to vast overpopulation problems), pedophilia, temple prostitution, burnt offerings, summoning of the dead and demons, and the promotion of elitism and Nazi-like social regimentation.

It is this Babylonian pollution of the original Egyptian religion that Jesus, a Nazorean Hebrew living in Samaritan Galilee -- referred to as "The Great Abomination". If the pagans among us would correct their offending practices, then we might all live in peace.

Until and unless they do, we are faced with the necessity of defending ourselves and our children from the whackjob elements of their religion and their "laws"---and the practical consequences of those few but deadly errors.

As you listen to the radio segment you will put two and two together as never before. You will see how what I have just told you about their religious practices lead naturally to child abuse and sexual blackmail, and why the oppression that follows from the practical idolatry of using money to "symbolize value" is presided over by Seven Grumpy Old Men --- the Seven High Priests of the Temple of Ba-El.

You will also understand why, in the queer diabolical duality of their thinking, "National Security" has been used to promote National Destruction, instead ---- not only in America, but throughout the world.

They have tried by various means to succeed in capturing Mexico and adding it to the hegemony of the Territorial United States. They've tried to use the "United Nations" as a vehicle to establish their control over the entire world. They've tried various treaties to establish "Regional Government" that would join both Canada and Mexico to the United States. And even as we speak, there is talk of invading Mexico -- for no clear or sane reason.

Mexico is the Crown Jewel of the madmen trying to impose a return to the Antediluvian World of the Atlanteans, and the rigid, eugenically engineered caste system that made it all work.

In that caste system, black and other colored people were slaves generally treated little better and often worse than animals--forever. They were to be used for labor, without consideration, without dignity.

The members of the Merchant Caste were unbelievably dishonest and devious, so devious that in order to deal with them at all, the Ancient Parthians developed and used a mathematically-interfaced language to form contracts that couldn't be argued over. Notice the revival of that ancient language and concept in the modern world by David-Wynn:Miller and Russell-J:Gould: Parse.

The members of the Military Caste were genetically modified to be Super Soldiers. Those that we now identify and call "Reptilians" are the distant progeny of the original Dracos. They were bred to only be able to think in terms of "Either-Or" which makes them great soldiers and horrible rulers.

The members of the true ruling class were the Priests, known as the "All Seeing" because of their ability to walk the time grid and travel to different dimensions and communicate not only with the dead, but with beings in the far future. In this way, they were able bring back advanced technologies, research actual history, and hopefully---safeguard the progress and promote the well-being of everyone concerned.

The progeny of all these original castes --- all the products of genetic engineering and eugenics programs carried out in the Sirius B and Orion star systems millions of years ago --- are still present on the Earth today. Many of them don't know who or what they are, or why they are different from other people.

The resurgence of the ancient "Mystery" religion is no mystery at all. It has been sheltering behind the facade provided by the Roman Catholic Church in the Office of the Pontificate all along.

And it is now being forced out into the open. People are being forced to recognize the paganism and history that was hidden in plain view for many, many generations.

The "Statue of Liberty" is exposed as a giant idol honoring Ashtoreth, the creator of the Great Abomination, standing where --- in truth, she ought not to be standing. And as Jesus said, it is "as it was in the days of Noah".

The Order of the Rose Cross is revealed as the Mother of all the other Secret Societies with which it remains allied: all the Freemasons, all the Lodges, all the "perverse" religious Orders like the Dominicans who are responsible for running the Inquisition, all the polluted Orders of Knighthood

including the Knights of Malta (Greek and Minoan Temple Soldiers) and Knights Templar (originally from the Levant, North Africa -- Carthage, and Rome Temple Soldiers), all the various and colorful and more or less aligned "spiritual science" cults that suddenly appeared in the nineteenth century.

Like everything else, there are good and bad elements to this entire spectrum of religious practice and belief. There are "White Witches" and "Green Witches" who bring great healing and wisdom and peace to the world, just as there are "Black Witches" and demon worshipers who seek to steal and ruin and destroy. Often, these factions among the Mystery Schools are locked in mortal combat, and that is exactly the situation today.

The Forces of Evil must be countered by the Forces of Good. The sheep must be protected by The Shepherds from the attacks of The Wolves.

But it also time for the "sheep" to wake up and be sheep no longer. It is, in fact, time to---- in the popular lingo---- ascend to a higher level of awareness and self-governance and self-knowledge, to face the world as it is, not as we want it to be, and at the same time----to see what it could be, and to fearlessly accept our responsibility for it all.

In a nutshell --- what the White Witches strive for is to nurture and set Mankind free, what the Black Witches strive for is to enslave and destroy Mankind.

Two paths are set before us --- one that is narrow and difficult and blocked with many stones and obstacles, one that is wide and well-traveled and easy and pleasant to walk. Which one will you choose?

What will you do, given this information on this auspicious Fourth of July?
