

## Read It and Weep

By Anna Von Reitz

I am so sick of hearing the snakes --- the real ones --- whipping up on me for my "service" to Pope Benedict, which was in fact a service to the American People as demonstrated very clearly by the example of The Letter to Cardinal George of Chicago, posted as Article 1 on my website, and as fully detailed in my book, Disclosure 101. (See [www.annavonreitz.com](http://www.annavonreitz.com), Article 1.)

To all those who have slandered me and accused me of being a "Vatican Agent" based on their own ignorance and false assumptions, take heed.

A "private attorney" seeks to overturn wrong-doing and the return of assets to the people they are owed to. If you don't want your property returned to you, then continue to make false assumptions and spread false claims and rumors about what I have done and am doing toward that aim.

Continue to call me a "snake" because I grasp the language of snakes and have the education to beat them at their own game.

God knows you don't stand a chance without me and many other people like me to defend your interests before you even know that they are in danger.

Ignore the admonition to be "Wise as serpents and gentle as doves.".

Show what fools you are in public and stand ready to be shamed to the soles of your feet.
