

## Release of the Interest of the Holy See

By Anna Von Reitz

12 July 2017

Most Beloved Francis,

It is my understanding that the Holy See has released its interest in the bankruptcy proceedings of the Municipal and Territorial governments throughout the world, and that leaves the unincorporated United States of America as the only unincorporated government still standing in this matter.

We will proceed with your blessing to address the urgent matters of: (1) discharging odious debts; (2) off-setting mutual debts; (3) outright debt forgiveness, such as we have already offered Puerto Rico; (4) employment of new assets; (5) hybrid bond issues; (6) relief of the mortgage foreclosures; (7) establishment of new international trade banks; and final settlement.

Your assistance in the matter of the Divine Province would be greatly appreciated. It is our understanding that both people and governments can choose to accept the rule of our Creator and to accept the three simple Laws of Heaven as their Law, while simply retaining their beneficial interests on land and sea.

It is our intention to offer the governments of the world debt forgiveness upon their acceptance of the Law of the Kingdom of Heaven as their paramount national and international law.

The Law of the Kingdom of Heaven on Earth as summarized in our presentation of the Payment Bond is: (1) Keep the Peace; (2) Treat others as you would like to be treated; (3) Respect the free will of everyone else, so long as it causes no harm.

Beyond that, of course, each Man and Woman must make their own peace with Our Father. We are speaking here only of public matters, not the private matters of each heart.

It is to be hoped that the public commitment of governments secured peacefully and without their undue embarrassment will translate to a greater understanding among people of their own sacred nature and their role in the Universe.

Thank you for your patience in the midst of many trying circumstances and your generosity to all Mankind.

Anna Maria
