1. I hear you talking among yourselves and the chief argument against doing what I have told you to do is --- "But we won't be in power anymore!"

Please submit a brief 2-3 page letter telling me exactly what you have done that is beneficial to humanity and why you should be in control of anything --- even a cat box?

2. The "FBI" is owned and operated (along with the "BLM") by a foreign corporation merely calling itself "THE GOVERNMENT OF THE UNITED STATES".

Do I really have to say more?

Locate the Board Members of "THE GOVERNMENT OF THE UNITED STATES" and you will have the parties responsible for the murder and ambush of LaVoy Finicum and also the witch hunt "investigation" into Candidate and now -President Donald Trump.

They are obviously and unarguably criminals who need to be hunted down, arrested, and punished.

No big mysteries here.

Go get 'em.
