

## Their "Satanic Majesties"

By Anna Von Reitz

First some background --- the Early Church was polluted by the old Satanic religion of Summer and Babylon early in its history. This could not be avoided, as the Church took root in the very seedbed of the Great Abomination--- Jesus grew up in Galilee, which was part of Ancient Kingdom of Summer.

This is why we have such stories as "The Good Samaritan" and why the Bible records Peter's fight with Simon Magus, who was the first, but not the last to promote a "working relationship" between Satanists and the Church.

Satanism began in Jesus's homeland, but as it was a sea-going religion it quickly spread throughout the known world and established itself in seaports--- what we now know as Tel Aviv is next door to the Great Temple of Balbeck, Sidon, and Tyre---- all centers of Satanic worship. It also spread eastward to Babylon and north into Assyria and the Chaldean Empire.

The Great Abomination spread around the entire Mediterranean and deep into Africa, becoming entrenched in Alexandria and Carthage, Crete, Sardinia, Malta, the Black Sea, and Turkey.

By the Seventh Century Before Christ, the Great Abomination had seeded itself in the seaports of eastern Italy and Gaul and set up a headquarters in Portugal among the Phoenicians and outposts along the western side of the British Isles --- Cornwall, Wales, and Ireland.

So the Great Abomination travelled westward with the sailors, and especially with the sea-going Israelite Tribe of Dan, whose emblem is a giant snake--- which was at one time prominently displayed on their tribal banner. See the references in Genesis.

The Tribe of Dan was one of the ten (10) "Lost Tribes" of Israel --- "lost" to Jacob in the sense that they adopted the Satanic religion and propagated it wherever they roamed.

The Romans suppressed "the Babylonian religion" early on and through the days of Augustus Caesar, but with the end of the Punic Wars and the sack of Carthage, the old Siren Song of Semiramis came to Rome with the Carthaginian slaves and the Great Abomination became one of Rome's accepted State Religions.

By the Second Century Before Christ, the priests of "Cybele" (--- yet another name for Semiramis and her Cult) had become the Tax Collectors for Imperial Rome. They wore black robes and white wigs, just as British Barristers still do.

It is easy to see how and why the Early Church was irrevocably harmed and polluted by its Devil's Bargain with Constantine and the Council of Nicea.

"St. Jerome" liberally abused his position of trust to exclude key portions of the Biblical record and to add totally fictional works attributed to the Apostle Paul --- but actually written as "homages" by his own friend, Paul of Ephesus, whose misogynist screeds have been used to achieve the Roman

Patrician goal of subjugating women--- all things that Jesus never taught and which the actual Paul never advocated, either.

They also painted Mary Magdalene as a harlot. A great many other teachings were subverted and subtly twisted at this time to promote Rome's desire for a quiet, complicit, docile form of what they dubbed "Christianity"--- a doctrinal core of deceit which took the life and teachings of Yeshuah and turned him into a idol after the Babylonian fashion: he was no longer a man, but a god -- in itself a False Teaching that he never promoted.

All this to give you a "sweeping glance" at what we come to now. We know that the Church was polluted early on and know what, when, where, by whom, and how. Satan has always been "part of the story" --- but in many ways never fully disclosed, he has also been substituted as the story.

Please note that "substitution" of one thing for another is always part and parcel of the modus operandi of Satan. He seeks to substitute himself in the place of our Creator. He seeks to replace England with Great Britain. He seeks to replace Yeshuah with "Jesus" and "Christ". He seeks to replace you with a corporation named after you. And, way back in the days of Samuel, he gained a "good hit" when he got the Hebrews to substitute men for the True King.

I have told you all that there are two (2) "Gods" in the Bible and you must read it very carefully to discern which is which. I have told you that Yahavah, the Creator, is not the same as Jehovah, who delights in the smell of burning flesh. See? It is just another one of their "similar names deceits", designed to trick you into worshiping the wrong God, the same way they try to substitute "the United States" for The United States of America.

The same way they teach you to misdirect your prayers by sealing them with "Amen" --- a reference to the Egyptian god, Amen-Ra, aka, the Sun.

I have told you that all that you need to know about the history of the struggle we are engaged in, is contained in the single Book of Genesis and that the beginning is also the end. This fight between Eve's Children and Satan's Children was declared by the Creator to settle who would rule the Earth after Adam abdicated his responsibility.

We shall overcome by the Sword of Truth and they shall attempt to overcome by making us stumble into a Quagmire of Deceit.

So here is the unvarnished Truth about the "13 Bloodline Families" and the current state of abject depravity within the Roman Catholic Church.

The Children of Satan, being what they are, are deceitful by nature---thought it would be a good idea if their Merovingian Kings claimed to be the literal bloodline descendants of Yeshuah. Once that False Claim was established, it was only a logical hop-skip-and-a-jump for the feudal retainers of the Merovingian Dynasty to claim that they were all lineal descendants of the Disciples.

So there you have it --- the supposed "Royal Bloodline"--- of Yeshuah, and the twelve bloodlines of his Disciples. Only now, having become familiar with the way Satan twists and turns identities and words using names and labels, you will note that "Yeshuah" is now known as "Jesus" and called "Christ" and his Disciples have become "Apostles".

There you have their Dark Ages Swindle that resulted in these "Illuminati Bloodlines" and the only reason they are "Illuminati" is that they know it was a con game and a swindle, first to last.

We all have cause to know that the inheritance we achieve through Yeshuah is purely spiritual and takes place in the realm of the spirit, not the flesh.  
So one plus twelve equals thirteen.

The sun plus the Zodiac equals thirteen.  
Jacob plus his sons equals thirteen.  
Jesus plus his disciples equals thirteen.  
But, Judas Iscariot plus the Apostles also equals.... thirteen.

So all this is background to enable me to make a reply to the following information:

"...when the Black Mass was celebrated in the Vatican on June 29, 1963, the participants pricked their fingers with a gold pin and swore allegiance to Lucifer. Father Malachi Martin S.J., was, at that time, Secretary to Cardinal Bea in the Vatican. He subsequently resigned his position as a Jesuit priest and began writing books. You can find them by googling his name. He and his friend, a Father Cahn, if I am remembering it correctly were both murdered for exposing these things.

Fr. Martin appeared numerous times with Art Bell on Coast to Coast AM during the 1990s. The Jesuits, known as The Church Militant, invented confession to be used as an intelligence gathering tool to identify heretics during the Middle Ages, and are much involved with Freemasonry. I have a video on the Luciferian liturgy being sung in a Vatican worship service.

Behind the Vatican are the Jesuits, headed by the Black Pope, and behind them is the Grey Pope, Pepe Orsini, of one of the 13 Bloodline families, behind them are the demons and the Reptilians going back to the 'serpent' in the Garden of Eden. The Reptilians have been behind the Vatican since its inception. In 1964, under Pope Pius VI, the Reptilian Auditorium that sits to the right rear of the Vatican Complex, was dedicated...."

All this is, of course, correct --- and a matter of record. You can see the giant snake throne the Pope sat on when holding court as the Roman Pontiff--- an Office now defunct since 2011, and also exposed by Frank O'Collins and myself and Kurt Kallenbach and many others.

The Vatican is under their system the antithesis of the Holy See, in the same way that Edward Sinclair also used the name Edward Saint-clair.

Just think of the cartoons of your childhood with the devil perched on one shoulder and the angel perched on the other: sin-clair is his devil persona, saint-clair is his angel persona, and the man caught in between is erroneously taught that this is his nature, and that he can never be unified, but must be eternally "at war" with himself.

This ancient, pervasive, misconception of duality and "good" and "evil" as mutual necessities carried to an extreme led to the actions taken in 1963 and the acceptance into the Church of all the profound evils in evidence within it at the current time.

It was at the time seen as an effort to "normalize" and "accept the reality of evil" as part of human nature, and so to overcome it by "inclusion" --- which is all a nice bunch of verbiage seeking to excuse the complete and utter loss of moral compass displayed by Pope Pius VI and his entire entourage.

"Fornicating with the Kings of the Earth" doesn't quite describe it, but close enough. Their actual motto might have been more prosaically stated as, "If you can't beat them, join them."

So all the "apples" turned rotten at once, as apples are known to do in the presence of one profoundly corrupting influence, with the result that we have pedophile priests and sodomites and cannibals and every other evil under the sun sheltering in the arms of the Church and using the Church as a storefront.

And all this is embedded along with the accompanying "Doctrines of Death" which were also adopted.

Satanism is a Death Cult, so of course, there had to be Doctrine of Death, and a Doctrine of Scarcity, and a Doctrine of Blood, and a Doctrine of Relativism and a Doctrine of Every Other Evil you can think of to "accommodate" Satanists as part of the Church's Ecumenical Outreach.

The Truth is that Satan is a failed Archangel --- a type of Seraph, and all Seraphs are Reptilian by nature, forged in the Cold Fire of Sirius B. These Great Dragons can be the Servants of the Living God, or they can be Outlaws and worshipers of Delusions which are all based on the concept of Separateness and Ego.

Pope Pius VI's attempt to overcome separateness by embracing such evil and insanity is a tragic miscalculation and underestimation of the virulent nature and all-consuming ego involved--- Satan seeks only "to murder and destroy" without end and without reason. Inviting him into the Church was like sitting on a cobra and hoping for good results.

For while it is possible for us to be reconciled with the duality we experience within ourselves, and to come back into alignment and be in tune with our Creator, this is not possible for Satan. His only end has been declared -- and it is the Abyss.

We are now living through the Apocalypse, where the curtain is pulled back and we finally see what was hidden. It's more than most people want to see and more than some can bear to see--- yet it is only by owning the Truth that we can live and progress and get beyond this nastiness.

Lately, I've had people come to me and advance the repugnant idea of the "Noble Lie" --- that it is cruel and inhumane to deprive people of lies that they have built their lives upon. What will they do when they realize that George Washington wasn't the first President? That they have been slaves "in the land of the free"? That Yeshuah didn't come here to die for their sins?

To them, I can only reply that the meanest truth is far better than the grandest lie.
