

## Access to Republic of Texas Teleconference

### From Anna Von Reitz

We had such a response-- and the Republic of Texas had such a response-- to my update on Progress that included my recap of their teleconference and new method of dealing with IRS claims, that we are publishing their next teleconference information for those interested in attending:

**Public welcome.**

**Will have updated training to answer your questions on Jurisdiction Only.**

Subjects to cover concerning Municipal Courts, JP Courts, County Courts, State district Courts, Federal Tax Courts and others called Kangaroo courts all with or without JURISDICTION.

Please, no other subjects discussed. Our time is too valuable for so many folks that finally wish to WIN and not play the same old losing games we all have played for the last 20 years plus.

Expect to hear some success on different subjects.

**Date Tuesday January 23rd, 2018**

**Time 7:30 PM CDT**

**Special Guest to be present for training.**

**Guest Specialty is Jurisdiction, Jurisdiction, Jurisdiction only.**

**Please dial for attending conference.**

**Access Code 583966 #**
