This is your fault:

You will immediately order all your franchises and subsidiaries and corporate executives to cease and desist all further hostile action toward the people and animals of this planet, cease production and implementation of all forms of mRNA pollution, or we will order the Allied Fleets to remove every single one of you and all your families and all your business enterprises and every trace of your existence. This includes Mr. Netanyahu and the entirety of "Israel".

By now you know that we can do this, and you know that we will.

Stand down. This is your Final Notice and Final Warning.
